Γ	What do you want to do with Zoom_o42l8sofizku_2c19090440835190.exe (76.3 KB)? Run Save ^ Cancel From: us04launcher.zoom.us Save _ _ _ _	Х 🕘 Нор

b. Click on the box that appears in the bottom left-hand corner of the screen.

NB: If this automatic option doesn't appear on your screen, click on the 'download here' option in the middle of the screen, as per the below.

5) No matter which option you selected in Step 4, the following box should appear in the middle of your screen. Allow the system to download to 100%, at which point Zoom will have finished downloading onto your machine.

6) To check that Zoom has successfully downloaded onto your computer or laptop, head to your desktop. Click on the magnifying glass icon located in the bottom left-hand corner of the screen and beside this type the word 'Zoom'. At the top of the box that appears, under the words 'Best match', you'll see a video icon with the words 'Start Zoom App' next to it. This shows that Zoom has successfully downloaded onto your machine.
